## Could you be a S.T.A.R?

S.T.A.R stands for **S**mall **T**asks **A**s and when **R**equired. We are very fortunate to have so many group leaders who generously give their time and life energy to make our organisation so successful and enjoyable for members. In addition all our social events, which add so much, are supported by volunteers who make them happen and are an important part of our members experience. We are always hoping to add to our group of willing helpers. **So, if you could help on an informal basis and be able to respond to a request for additional help from time to time, we would be glad to hear from you.** Taking a turn and helping with Coffee mornings or any of our social events that require extra support is what is needed. No regular commitments or meetings just a willingness to be called upon when necessary and to be flexible enough to work alongside our existing team. Some beautiful work from 2025.
