Enrolment

Last Friday on the 4th September we had an excellent response to our annual enrolment morning. Over 40 of our group leaders or their representatives were there to chat with potential new members and current ones who were looking to enrol in something new or different. As always, our thanks go to those Group Leaders who provide so many interesting and varied opportunities, and whose enthusiasm and generosity is matched by the interest and support of our members. We are grateful to everyone who contributed making the event for the over 150 people who attended, so successful. Of the 67 activity and interest groups on offer over 40 of them had vacancies to fill with potential members. Waiting lists were also created by each group to ensure that new members can be accommodated whenever appropriate and as quickly as possible. 4 new groups were also successfully promoted Beginners Bridge, Beginners Chess, Poetry and Beginners French.

We don't like to take a membership fee until people have found a place in their preferred interest group but over 55 visitors were able to join a group of their choice and paid to become a full member as a result. This will bring our total membership to just over 900. We are always looking for those members who have a passion or particular interest that they can share with others and would be willing to lead a group. Do get in touch if you would like to get involved.

Diary dates

Please pop the date of our AGM in your diary. It is on 21st October in the Cheap Street Hall. Why not come along and have a coffee at our regular meeting starting at 10.15 then stay for the meeting where we will tell you about the past events of the u3a year and elect new committee members. Have you thought about giving us a small amount of your time to join the committee? If you are unable to help as a committee member then perhaps you can become a S T A R (small tasks and when required). We would be grateful to call upon you to help with small tasks that would be helpful to support some of our various activities. No regular commitment as and when you could help....why not drop me an email for further information. sthomaspeter@btinternet.com
